

Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The institution has well constituted mechanism to transform the policies of the institution into the ground reality. There is a hierarchy in management information system. The policies of the higher management are communicated to the CDC and CDC communicates these procedures to institution. The institution communicates these policies to the IQAC and the college deploys the policies through committees or individuals and follow-up is taken and the development and progression is monitored by IQAC.
